

Approved VA Vehicle Fleet Management Safety Training for Vehicle Operators

The following courses meet VA policy requirements for annual government operated vehicle safety training:

- GSA Training/National Safety Council's Online Defensive Driving Course
 - Take every *other* year (4 hours)
 - GSA's Office of Motor Vehicle Management offers this training free of charge to GSA Fleet customers.
 - Upon completion, students receive a Water Marked certificate from the National Safety Council that, in many States, may be used to lower automobile insurance rates.
 - Passing score is 80% or better
 - Go to <https://drivethru.fas.gsa.gov/drivethru/fdt9001/> to get started
 - Use Customer # 88000036AFP6284 and your VA email address.
 - Set up your own Login ID & password.
- TMS Online Training
 - Take any 1 course in *alternate* years (1-3 hours)
 - Defensive Driving Fundamentals TMS # 1278994
 - Defensive Driving - SAH0417 TMS # 27221
 - Defensive Driving: Truck Safety TMS # 1278245
 - Distracted Driving TMS # 3854602
 - Passing score is 75% or better
 - Log into TMS to find and register for courses
